

How are residents trained in their role as health advocates? What does it really mean to be a health advocate, in theory and in practice? Leveridge and colleagues address these questions in their research report on page 363. Klotz and MacNeilly comment on this issue on pages 356 and 370, respectively.

Comment les résidents sont-ils formés pour devenir des promoteurs de la santé? Qu'en est-il réellement, en théorie et dans la pratique? Leveridge et ses collègues abordent ces questions dans leur rapport de recherche (page 363), alors que Klotz et MacNeilly offrent leurs commentaires en pages 357 et 370 respectivement.
