

How valuable are alternative treatments? In this research manuscript, Al-Bareeq and colleagues assess the effectiveness of Dong Quai to treat hot flashes in prostate cancer patients who receive androgen deprivation therapy. See page 49 for more.

Est-ce que les médecines douces sont efficaces? Dans leur document de recherche, Al-Bareeq et ses collègues évaluent l'efficacité du Dong Quai pour traiter les bouffées de chaleur chez les patients atteints de cancer de la prostate qui suivent une thérapie de privation d'androgène. Veuillez vous référer à la page 49 pour obtenir plus de détails.
