

**Cambridge Memorial Hospital**  
FRCS(C) Certified UROLOGIST Required!

Come Grow With Us! Serving a population of over 135, 000, Cambridge Memorial Hospital has recently received approval to move forward on a major redevelopment and renovation plan. This includes: an expansion of the ER, Labour and Delivery, ICU, Endoscopy Suite and Mental Health facilities, along with the addition of two surgical suites, offering a full range of surgical specialties including OB/GYN, general surgery, urology, ENT, ophthalmology, plastics and orthopedics.

Available resources include:

- full diagnostic Laboratory and Imaging resources including:
  - o modern 64 slice CT Scanner, brand new fluoroscopy suite, PACS with full remote internet access, recent funding approval for a new MRI
- Comprehensive medical and specialty surgery support available in the region, (excluding neurosurgery)

Specialty Urology equipment includes:

- new High Definition digital Olympus laparoscopy towers in the OR
- Olympus High Definition EndoEye laparoscope
- GE Uroview cystoscopy suite
- 20W Holmium laser
- Bipolar and monopolar resectoscopes
- Digital ureteroscopes, digital endoscopy cameras

Cambridge Memorial Hospital is a 133 bed community hospital centrally located in southwestern Ontario within easy access of Toronto, Hamilton and London. Cambridge provides a high standard of living with attractive residential areas, an excellent selection of schools, easy access to major universities and many recreational activities. The Cambridge Memorial Hospital is an affiliated teaching site of the Michael G. DeGroot School of Medicine, McMaster University, providing teaching opportunities for undergrads and residents.

Candidates must be a registered Fellow of the Royal College of Surgeons of Canada in good standing, as well as a member of the CPSO. Successful candidates will be able to practice the full scope of General Urology, with skills in basic laparoscopy a requirement, and advanced laparoscopy skills preferred.

We have a blended urology regional call arrangement providing 100% coverage with Kitchener-Waterloo, Cambridge and Guelph resulting in 1:10 weekend call, with weekday/evening call covered locally.
