

**Urologist
Bluewater Health, Sarnia, Ontario**

Are you interested in practicing in a brand new state of the art hospital?

A Urologist interested in practicing at Bluewater Health, will find a complete and extensive armamentarium of Urological equipment:

- Multifunction open operating suites with integrated imaging & video to facilitate open and laparoscopic surgery
- GE Uroview Endourology suite with Holmium Laser for stone surgery
- A GreenLight Laser for BPH surgery (on order)

Candidates must have their Fellowship with the RCSC and be registered with the CPSO. The successful candidate will be able to practice full scope of General Urology including Uro-Oncology, Endourology, Male & Female incontinence & Laparoscopy. The on call schedule is 1:3 providing 80% coverage.

Bluewater Health is a 320 bed hospital operating on 2 sites which includes a recently completed \$319 million redevelopment. The hospital offers excellent medical and diagnostic supports:

- A broad range of diagnostic services, including CT and MRI.
- Full spectrum of specialists available 24/7 (neurosurgery and invasive cardiology not available)

Sarnia was rated the Most Livable City in Ontario by the Pembina Institute (August 2007). Situated on the shores of Lake Huron at the border to Michigan, Sarnia offers excellent quality of life, sports, arts and culture, education, state of the art health care, and beautiful natural environment.
